HOME -

The homecoming game was played against Metro Lutheran from Edwardsville, Ill.. Metro jumped out to an early advantage which they would not relinquish. The Knights after falling behind quickly

COMING

held their ground and decreased the lead of Metro but were not able to overcome the deficit. Metro won by a final score of 83-68.

The next night was the homecoming dance. The Student Council did a great job preparing for the dance, as it was an enjoyable evening for those who attended.

KEMPER

On January 7, the Lutheran Knights played the Windsor Greyhounds at Kemper Arena. It was a preliminary game to the Golden State Warriors and Kansas City Kings game. The game was close early on as Windsor kept a close pace with the Knights. The game stayed tight until the end of the third quarter when Lutheran started to pull away. From then on the Knights had no problems and went on to capture a 77-52 victory.
